Dear Nathan,

On behalf of the Redcliffe Tigers Australian Football Club, I would to thank you and your staff for completing the lighting works at our ground, thus enabling us to fixture football games at night.

The open and constant line of communication and efficient service you provided was of the highest order, which in turn, meant very little disruption to the training nights of our teams, even whilst you carried out the final lighting audits.

It would be our pleasure to recommend your services to any sporting clubs in need of new or upgraded lighting.

Once again thank you for your excellent service.

Yours sincerely,

Denise Christensen
Secretary
